

CAMPBELL'S CREW CARES

VOLUNTEER GUIDELINES

Event-day rules

A clear, child-centered guide for every shopper and event volunteer.

If something feels unsafe, unclear, or outside this sheet: pause and find a Campbell's Crew representative.

01 Pause and ask for help

Stop for anything unsafe, unclear, or outside the printed plan. Ask a Campbell's Crew representative before moving forward.

05 Stay with the child

Stay together, follow event supervision rules, and keep the child's bag with them through handoff so it is not lost or mixed up.

02 Follow the child's sheet

The child's approved sizes, budget, preferences, and accommodations guide every choice. If an item is not on the sheet, it is not approved.

06 Protect privacy and dignity

Keep family and application information private. Be patient, encouraging, respectful, and let the child have a voice in their clothing choices.

03 Respect each item budget

Stay within each listed amount. Do not move unspent clothing money to another item unless a CCC representative approves it.

07 Keep choices appropriate

Help select age-appropriate items that fit safely. When in doubt about fit, style, or eligibility, ask before purchasing.

04 Buy essentials only

Choose approved clothing and personal-care essentials. Do not buy food, drinks, candy, accessories, hats, pajamas, or other extras unless the sheet specifically allows them.

Event-specific approvals

Only items printed on a child's shopping sheet are approved.

Event packets list any special approvals, limits, and eligibility rules here.
